Team roster of 18 players required with registration. **NEW:** Minimum age for all players is **23**. Any players currently on your roster from previous years who are under 23 are grandfathered in and eligible to play. Any NEW players must be 23 years of age. All players must have a current **OASA Player Card**.

If you have a private field, you must submit a written permit with your registration.

First game of the 10 game season will be the 1st Monday of May (May 4, 2026) unless field availability is an issue. There will be no games on Memorial Day (Monday, May 25th). We are planning to have games on Monday, July 6th. The last games will be either Monday, Jul 27th, or Monday, Aug 3rd, unless field availability is an issue, in which case we may need to schedule further into August. Games will be scheduled on Mondays, unless field availability requires otherwise. No games will be scheduled on Mothers Day or Fathers Day. *We will try to not conflict with Portland Timbers or Portland Thorns games.*

We have sent out rankings from the 2025 season, showing where your team will most likely be placed based on last year's game results and goal differential. Some adjustments will be made for new teams. Every attempt will be made to ensure teams are placed in competitive divisions.
